**Attachments:** Q138847.htm

Hi Gary,

Julie said to order new Troemner weights from VWR. The part number is 12766-592 for a 5kg-1mg ultraclass weight set. I've also included an attachment for an updated quote for 2 overhaul kits to rebuild our rough pumps in GC/MS. Thanks again!

Peter,

Price has gone up in the past month. Attached is your quote. Thanks!
